### Special notes for round 17

**\*\*Take 3 pipe cleaners twist together fold in 3rds and twist some more then fold in half, this is going to add support to the dolls neck so the head does not flop.\*\***

**\*\*Add eyes between rows 12 and 13 of the head spacing them 7 stitches apart (I try to line them up with the shoulders)\*\***

Congratulations, your base doll is done. As I design more dolls I will post them to my website [Kattnhubbyskreations.com](http://Kattnhubbyskreations.com) and my Etsy shop [Etsy.com/Kattnhubbyskreations](http://Etsy.com/Kattnhubbyskreations)
